Subject: RE: ARPA Funds

Good afternoon Ms. Button,

I read the December 2022 board meeting agenda for the NHTF funds. The St. Petersburg Housing Authority (SPHA) is not using any tax credits or bonds for this project so I does not appear this funds would be available for our Ed White transformation. Are there any other potential funds available for a Housing Authority. Please be aware, SPHA is not using a developer and plans to run this property in accordance with our Mission of affordable housing which is desperately needed within the City of St. Petersburg. To that end, the City has provided \$8.9 million dollars towards this development. I would appreciate any information you are allowed to share.

Thanks
Carolyn
